2. Goals for the Majors and Minor should flow from, but not conflict with, the Department or Program Mission

1. The Department and Program Missions should have goals that flow from, but do not conflict with, the College Mission

3. The General Education Mission should be kept in mind when considering a cohesive approach to the Department's General Education offerings

4. EVERY combination of required and elective courses for EVERY offering should ensure that students can meet both the goals of the degree being sought and the Department and/or Program Mission
