

HOW TO ASK A QUESTION

Over the course of this semester, you have seen several ways of asking questions and the different types of answers and information that can be gathered from these questions. Here is a short recap. What are the key words that you must understand? What are the appropriate types of answers? For each expression below, write one question AND the answer that shows you understand what information the question is looking for.

1. **Est-ce que...**

2. **Qu'est-ce que...**

3. **Quand...**

4. **Pourquoi (est-ce que)...**

5. **Combien...**

6. **A qui est... / C'est le sac de qui...**

7. **Où est/se trouve...**

8. **Comment allez-vous?
est-ce qu'on...?**
